CIRCULAR TO PARENTS

18TH May, 2021

Dear Parents,

You are kindly aware that due to the surge in COVID-19 cases, the School is unable to conduct the physical classes in the Academic Session 2021-22 but switched over to the online classes from 7th April, 2021. The Online classes in MSTeams, will continue till the situation improves and the students are able to join the classes on campus.

In view of the prevailing Pandemic situation, and the overall interest of the Students and Parents, The School's Managing Committee, has decided to waive off the FEE on all non-utilised services / facilities like Games Fee, Computer Fee, Exam Fee, AV Room Fee, Science Lab Fee, Optional Subject Fee and e-library Fee and 50% Fee waiver is granted on the Maintenance / Development, and Annual Charges till such time that the students attend classes on School campus.

Parents who have paid April and May 2021 fee, excess amount paid will be adjusted in the following month/months fee amount.

We hope that this will help to erase the financial burden of the Parents.

Seeking your kind cooperation and support as we continue to provide excellent education to our beloved students.

With every good wish for the safety and well-being of the School Community.

Yours sincerely,
